или применяемых ею специфических субсидиях, определенных положениями Соглашения СКМ. Такая информация включает сведения, предусмотренные статьей 25.3 Соглашения СКМ.

Статья 2.8

2. Каждая Сторона обеспечивает публикацию своих правил и информации в отношении процедур лицензирования в соответствии со статьей 1.4 Соглашения по процедурам лицензирования импорта. Сторона, которая вводит процедуры лицензирования или изменяет такие процедуры, должна уведомить об этом вторую Сторону не позднее 60 дней с момента публикации. Такие уведомления должны содержать информацию, определенную в статьях 5.2 и 5.3 Соглашения по процедурам лицензирования импорта. Такая информация должна передаваться через контактный пункт каждой Стороны, назначенный для этих целей.

Статья 2.9
Количественные ограничения

1. Ни одна из Сторон не может устанавливать или сохранять никакие количественные ограничения, включая запреты или ограничения на

импорт каких-либо товаров другой Стороны или на экспорт каких-либо товаров, предназначенных для территории другой Стороны, за исключением случаев, определённых ее обязательствами в рамках ВТО, с этой целью статьи XI и XIII ГАТТ 1994 и пояснительные замечания к данным статьям инкорпорированы в настоящее Соглашение и составляют его неотъемлемую часть, *mutatis mutandis*.

2. Каждая Сторона обеспечивает прозрачность любых количественных ограничений, разрешенных в соответствии с пунктом 1 настоящей статьи, и обеспечивает, что никакие подобные меры не будут вводиться, приниматься или применяться с такой целью или с такими последствиями, которые создадут излишние препятствия для торговли между Сторонами.

Статья 2.10
Триггерные защитные меры

1. Евразийский экономический союз может применить триггерную защитную меру в отношении перечисленных в Приложении 2 к настоящему Соглашению товаров, происходящих из Вьетнама и импортированных на территории государств – членов Евразийского экономического союза, если объем импорта в течение любого календарного года превышает относящийся к этому году триггерный уровень, указанный в Приложении 2 к настоящему Соглашению.

2. Триггерная защитная мера применяется в форме таможенной пошлины, эквивалентной ставке таможенной пошлины режима наибольшего благоприятствования, применяемой в отношении рассматриваемых товаров на дату вступления в силу триггерной защитной меры.

3. Триггерная защитная мера применяется в течение периода не превышающего шесть месяцев.

4. Несмотря на положения пункта 3 настоящей статьи, если на дату начала действия триггерной защитной меры объем рассматриваемого импорта превышает 150 процентов соответствующего триггерного уровня, то срок действия такой меры может быть продлен еще на три месяца.

5. Евразийская экономическая комиссия обеспечивает публикацию данных об объемах рассматриваемого импорта в порядке, обеспечивающем доступ к ним Вьетнама. При установлении факта выполнения условий, определённых в пункте 1 настоящей статьи, Евразийская экономическая комиссия незамедлительно уведомляет Вьетнам об этом в письменной форме. Без ущерба для права Евразийского экономического союза применить триггерную защитную меру Евразийская экономическая комиссия также направляет письменное уведомление не позднее, чем за 20 календарных дней до принятия решения о применении триггерной защитной меры, а также в течение трех календарных дней после принятия такого решения при условии, что такое решение вступает в силу не ранее, чем через 30 календарных дней с даты его принятия. В случае принятия решения о неприменении триггерной защитной меры Евразийский экономический союз незамедлительно уведомляет об этом Вьетнам в письменной форме.

6. По запросу Стороны другая Сторона незамедлительно вступает в консультации и/или предоставляет запрашиваемую информацию в целях разъяснения условий введения и применения триггерной защитной меры в соответствии с пунктами 1 – 4 настоящей статьи.

7. Каждые три года после даты вступления в силу настоящего Соглашения Стороны проводят пересмотр действия настоящей статьи и, при необходимости, принимают совместные решения по внесению изменений в настоящую статью и Приложение 2 к настоящему Соглашению согласно статье 15.5 настоящего Соглашения.

c) определение и представление рекомендаций в целях разрешения любых проблем, которые могут возникнуть;

d) передачу Совместному комитету результатов рассмотрения любых других вопросов, связанных с применением положений настоящей главы.

ГЛАВА 3

Статья 3.1
Компенсационные меры

1. Стороны применяют компенсационные меры в соответствии с положениями статей VI и XVI ГАТТ 1994 и Соглашения СКМ.

2. Для целей проведения Вьетнамом компенсационных расследований и применения компенсационных мер государства – члены Евразийского экономического союза рассматриваются по отдельности, а не как

Евразийский экономический союз в целом, за исключением случаев, когда имеются субсидии в понимании статьи XVI ГАТТ 1994 и Соглашения СКМ, которые доступны на уровне Евразийского экономического союза для всех государств – членов Евразийского экономического союза.

Статья 3.2
Антидемпинговые меры

1. Стороны применяют антидемпинговые меры в соответствии с положениями статьи VI ГАТТ 1994 и Соглашения ВТО по применению статьи VI Генерального соглашения по тарифам и торговле 1994 года, содержащегося в Приложении 1А к Соглашению ВТО.

2. Для целей проведения Вьетнамом антидемпинговых расследований и применения антидемпинговых мер государства – члены Евразийского экономического союза рассматриваются по отдельности, а не как Евразийский экономический союз в целом, за исключением случаев, когда обе Стороны договорятся об ином.

Статья 3.3
Специальные защитные меры

Стороны применяют специальные защитные меры в соответствии с положениями статьи XIX ГАТТ 1994 и Соглашения ВТО по специальным защитным мерам, содержащимся в Приложении 1А к Соглашению ВТО.

Статья 3.4

Двусторонние защитные меры

1. Если в результате снижения или отмены таможенной пошлины в соответствии с настоящим Соглашением какой-либо товар, происходящий из одной Стороны, импортируется на территорию другой Стороны в таких возросших количествах, в абсолютных показателях или относительно внутреннего производства и на таких условиях, что это является существенной причиной серьезного ущерба или угрозы его причинения отечественной отрасли экономики, производящей аналогичные или непосредственно конкурирующие товары на территории импортирующей Стороны, то импортирующая Сторона может применить двустороннюю защитную меру в течение переходного периода в отношении такого товара в размере, необходимом для устранения или предотвращения серьёзного ущерба или угрозы его причинения, в соответствии с положениями настоящей статьи.

2. Двусторонняя защитная мера применяется только после того, как будут показаны очевидные доказательства того, что возросший импорт является существенной причиной серьезного ущерба или угрозы его причинения.

3. Сторона, намеревающаяся применить двустороннюю защитную меру в соответствии с данной статьей, незамедлительно и в любом случае до введения такой меры, уведомляет об этом другую Сторону и Совместный комитет. Уведомление должно содержать всю относящуюся к делу информацию, которая должна включать в себя доказательства наличия серьезного ущерба или угрозы его причинения, обусловленного возросшим импортом, точное описание товара и предлагаемой меры,

а также предполагаемую дату ее введения, ожидаемый срок действия и, если уместно, график ее постепенной отмены.

4. Стороне, которая может быть затронута мерой, должна быть предложена компенсация в виде, в существенной степени эквивалентной торговой либерализации в отношении импорта из такой Стороны. Эта Сторона в течение 30 дней с даты уведомления, указанного в пункте 3 настоящей статьи, должна изучить предоставленную информацию с целью содействия взаимоприемлемому решению вопроса. В отсутствие такого решения импортирующая Сторона может применить двустороннюю защитную меру для решения проблемы и, в отсутствие взаимно согласованной компенсации, та Сторона, в отношении товара которой применяется двусторонняя защитная мера, может применить компенсирующую меру. О применении двусторонней защитной мере и компенсирующей мере незамедлительно уведомляется другая Сторона. Компенсирующая мера, как правило, представляет собой приостановление уступок, имеющих в значительной степени эквивалентное воздействие на торговлю, и/или приостановление уступок, существенно эквивалентных значению дополнительных пошлин, ожидаемых от применения двусторонней защитной меры. Компенсирующая мера применяется в течение минимального срока, необходимого для достижения в значительной степени эквивалентного воздействия на торговлю, и в любом случае только в течение срока действия двусторонней защитной меры, принятой в соответствии с пунктом 5 данной статьи.

5. В случае выполнения условий, определенных в пункте 1 настоящей статьи, импортирующая Сторона может применить двустороннюю защитную меру в форме:

a) приостановления дальнейшего снижения какой-либо применимой ставки таможенной пошлины, предусмотренной настоящим Соглашением для рассматриваемого товара; или

b) повышения применимой ставки таможенной пошлины в отношении рассматриваемого товара до необходимого уровня, не превышающего базовую ставку, определенную в Приложении 1 к настоящему Соглашению.

6. Стороны могут применять двусторонние защитные меры в течение следующих сроков:

a) в случае товара, для которого таможенная пошлина достигает уровня окончательного снижения в течение трех лет с даты вступления в силу настоящего Соглашения, Сторона может применить двустороннюю защитную меру на срок, не превышающий двух лет. Сторона не может применять в отношении одного и того же товара двустороннюю защитную меру повторно в течение одного года с даты истечения срока действия предыдущей двусторонней защитной меры. Никакая двусторонняя защитная мера не может быть применена в отношении одного и того же товара более двух раз.

b) в случае товара, для которого таможенная пошлина достигает уровня окончательного снижения по истечении трех лет с даты вступления в силу настоящего Соглашения, Сторона может применить двустороннюю защитную меру на срок, не превышающий двух лет. Срок действия двусторонней защитной меры может быть продлен не более, чем на один год, при наличии

доказательств, что это необходимо для устранения или предотвращения серьёзного ущерба или угрозы его причинения и что отрасль адаптируется. Сторона не применяет повторно в отношении одного и того же товара двустороннюю защитную меру в течение срока, равного сроку, в течение которого предыдущая двусторонняя защитная мера была применена. Никакая двусторонняя защитная мера не может быть применена в отношении одного и того же товара более двух раз.

7. По окончании действия двусторонней защитной меры ставка таможенной пошлины устанавливается на уровне, который действовал бы на дату окончания действия меры.

8. Ни одна из Сторон не может применять в отношении одного и того же товара одновременно:

   a) двустороннюю защитную меру; и

   b) меру, предусмотренную статьей XIX ГАТТ 1994 и Соглашением ВТО по защитным мерам, содержащимся в Приложении 1A к Соглашению ВТО.

9. Под отечественной отраслью, указанной в пункте 1 настоящей статьи, понимаются в совокупности производители аналогичных или непосредственно конкурирующих товаров, осуществляющие деятельность на территории Стороны, или те производители, чье совокупное производство аналогичных или непосредственно конкурирующих товаров составляет большую часть, но не менее 25 процентов от общего производства такого товара внутри страны.

10. Под переходным периодом, указанным в пункте 1 настоящей статьи в отношении отдельных товаров, в отношении которых применяется двусторонняя защитная мера, понимается:

a) период с даты вступления в силу настоящего Соглашения до семи лет с даты завершения процесса отмены или снижения таможенной пошлины в случае товара, для которого таможенная пошлина достигает уровня окончательного снижения в течение трех лет с даты вступления в силу настоящего Соглашения;

b) период с даты вступления в силу настоящего Соглашения до пяти лет с даты завершения процесса отмены или снижения таможенной пошлин в случае товара, для которого таможенная пошлина достигает уровня окончательного снижения по истечении трех лет, но до истечения пяти лет с даты вступления в силу настоящего Соглашения; и

c) период, с даты вступления в силу настоящего Соглашения до трех лет с даты завершения отмены или снижения таможенной пошлины в случае товара, для которого таможенная пошлина достигает уровня окончательного снижения по истечении пяти лет с даты вступления в силу настоящего Соглашения.

Статья 3.5
Уведомления

1. Официальные коммуникации и обмен всеми документами между Сторонами по вопросам, подпадающим под действие настоящей главы,

осуществляются между соответствующими органами, уполномоченными на инициирование и проведение расследований в соответствии с положениями настоящей главы (далее – органы, проводящие расследования). Если Вьетнам намеревается применить меру в соответствии с настоящей главой, другая Сторона может определить иной уполномоченный орган, о чем должна уведомить Вьетнам.

2. В течение 30 дней с даты вступления в силу настоящего Соглашения Стороны обмениваются информацией о названиях и контактных данных органов, проводящих расследования. Стороны незамедлительно уведомляют друг друга о любых изменениях, касающихся органов, проводящих расследования.

3. Сторона, намеревающаяся применить специальную защитную меру, незамедлительно направляет другой Стороне письменное уведомление, содержащее всю необходимую информацию в отношении начала расследования, а также предварительных и окончательных выводов расследования.

Статья 4.5
Доля добавленной стоимости

Для целей применения настоящей главы и особых критериев происхождения, приведенного в Приложении 3 к настоящему Соглашению, формула для расчета доли добавленной стоимости (далее "VAC") должна выглядеть следующим образом:

$$\frac{\text{Стоимость на условиях поставки FOB} - \text{Стоимость непроисходящих материалов}}{\text{Стоимость на условиях поставки FOB}} \times 100\%,$$

где стоимость непроисходящих материалов является:

a) стоимостью на условиях поставки CIF на момент ввоза материалов на территорию Стороны; или

Статья 4.7
Кумуляция происхождения

Без ущерба для положений статьи 4.3 настоящего Соглашения, товары или материалы, происходящие с территории одной из Сторон и используемые в производстве товара в другой Стороне, должны рассматриваться как происходящие в той Стороне, где выполнялись последние операции, за исключением указанных в пункте 1 статьи 4.6 настоящего Соглашения. Происхождение таких материалов должно подтверждаться сертификатом о происхождении товара (Форма EAV), выданным уполномоченным органом.

Статья 4.8

De Minimis

1. Товары, которые не удовлетворяют требованиям изменения тарифной классификации в соответствии с Приложением 3 к настоящему Соглашению, тем не менее, будут рассматриваться как происходящие товары, если:

   a) стоимость всех непроисходящих материалов, которые используются в производстве товаров и не подвергаются необходимым изменениям тарифной классификации, не превышает 10 процентов стоимости таких товаров на условиях FOB; и

   b) товары отвечают всем другим требованиям настоящей главы.

2. Стоимость материалов, указанных в подпункте a) пункта 1 настоящей статьи, должна быть включена в стоимость непроисходящих материалов для любого применимого требования в отношении доли добавленной стоимости.

Статья 4.9

Прямая поставка

1. Преференциальный тарифный режим в соответствии с настоящей главой предоставляется в отношении происходящих товаров при условии их прямой поставки с территории экспортирующей Стороны на территорию импортирующей Стороны.

2. Несмотря на положения пункта 1 настоящей статьи, происходящие товары могут перевозиться через территорию третьих стран при тех условиях, что:

   a) транзит через территорию третьих стран обусловлен географическими или транспортными причинами;

   b) товары не являлись объектом торговли или потребления;

   c) товары не подвергались каким-либо операциям, за исключением операций по разгрузке, перегрузке, хранению и любых необходимых операций, направленных на обеспечение сохранности их состояния.

3. Декларант должен предъявить таможенным органам импортирующей Стороны соответствующие документальные подтверждения выполнения требований, установленных пунктом 2 настоящей статьи. Такие доказательства предоставляются в таможенные органы импортирующей Стороны путем подачи:

   а) транспортных документов, удостоверяющих маршрут перемещения с территории одной Стороны на территорию другой Стороны, содержащих следующую информацию:

      i. точное описание товаров;

      ii. даты разгрузки и перегрузки товаров (если транспортные документы не содержат информацию о дате разгрузки и перегрузки товаров, то в дополнение к ним должны быть

представлены иные документы, содержащие такую информацию); и

iii. где это применимо:

- названия судов или других используемых транспортных средств;

- номера контейнеров;

- условия, при которых товары находились в стране транзита в должном состоянии;

- отметки таможенных органов страны транзита; и

а) инвойсы (счета-фактуры) на соответствующие товары.

4. Декларант может представлять иные документы, подтверждающие выполнение требований пункта 2 настоящей статьи.

5. В случае невозможности предъявления транспортных документов должны быть представлены документы, выданные таможенными органами страны транзита и содержащие всю информацию, указанную в подпункте а) пункта 3 настоящей статьи.

6. Если декларант не может представить в таможенные органы импортирующей Стороны документальное подтверждение выполнения условий прямой поставки, преференциальный тарифный режим не предоставляется.

Статья 4.10
Непосредственная закупка

1. Импортирующая Сторона предоставляет преференциальный тарифный режим в отношении происходящих товаров в случаях, если инвойс выдан лицом, зарегистрированным в третьей стране, при условии, что все требования настоящей главы в отношении таких товаров выполнены.

2. Несмотря на положения пункта 1 настоящей статьи, импортирующая Сторона не должна предоставлять преференциальный тарифный режим в случаях, если инвойс выдан лицом, зарегистрированным в третьей стране, включенной в перечень оффшорных стран, установленный совместным протоколом. Соответствующие компетентные органы Сторон уполномочены принять такой протокол на основе взаимного согласия и сделать его общедоступным.

3. Без ущемления положений пункта 2 настоящей статьи до принятия такого протокола применяется перечень оффшорных стран или территорий, приведенный в Приложении 4 к настоящему Соглашению.

Статья 4.11

1. Если в качестве критерия достаточной переработки в соответствии с требованиями Приложения 3 к настоящему Соглашению выступает смена кода тарифной классификации, то упаковочные материалы и тара, предназначенные для розничной торговли товарами и классифицируемые

вместе с данными товарами, не должны приниматься во внимание при определении происхождения.

2. Несмотря на положения пункта 1 настоящей статьи, при определении того, удовлетворяют ли товары требованию в отношении доли добавленной стоимости, стоимость упаковки, используемой для розничной торговли, будет учтена в качестве происходящих или непроисходящих материалов, в зависимости от ситуации, в целях расчета доли добавленной стоимости товаров.

Статья 4.12

Упаковочные материалы для перевозки

Упаковочные материалы и контейнеры, предназначенные исключительно для транспортировки товаров, не должны учитываться при определении происхождения товаров.

Статья 4.13

Приспособления, принадлежности, запасные части, инструменты, инструкции и другие информационные материалы

1. При определении того, выполняют ли товары требования изменения тарифной классификации, оговоренные в Приложении 3 к настоящему Соглашению, принадлежности, запасные части, инструменты, инструкции и другие информационные материалы, являющиеся неотъемлемой частью обычного оборудования и включенные в его стоимость на условиях поставки FOB, и на которые не были выставлены отдельные счета-фактуры, должны рассматриваться в качестве части рассматриваемых

товаров и не должны приниматься во внимание при определении того, являются ли данные товары происходящими.

2. Несмотря на положения пункта 1 настоящей статьи, при определении того, выполняют ли товары требование в отношении доли добавленной стоимости, стоимость принадлежностей, запасных частей, инструментов, инструкций и других информационных материалов должна учитываться в качестве происходящих или непроисходящих материалов в зависимости от ситуации в целях расчета доли добавленной стоимости товаров.

3. Настоящая статья должна применяться только в случаях, когда:

   a) на приспособления, принадлежности, запасные части и инструменты, инструкции и информационные материалы, предназначенные для товаров, не выставлен отдельный от товара коммерческий счет; и

   b) количество и стоимость приспособлений, принадлежностей, запасных частей и инструментов, инструкций и информационных материалов являются обычными для данного товара.

Статья 4.14
Наборы

Наборы продуктов, в соответствии Правилом 3 Основных правил интерпретации Гармонизированной системы, рассматриваются в качестве происходящих, если все продукты, являющиеся их компонентами, являются происходящими. Тем не менее, в случае если набор состоит как из происходящих, так и из непроисходящих продуктов, набор в целом должен

считаться происходящим, при условии, что стоимость непроисходящих продуктов не превышает 15 процентов стоимости набора на условиях поставки FOB.

Статья 4.15
Косвенные материалы

Для целей определения происхождения товаров не учитывается происхождение следующих косвенных материалов, которые могут использоваться при производстве и не включаются в состав конечного продукта:

a) топливо и электрическая энергия;

c) запасные части и материалы, используемые в техническом обслуживании оборудования и зданий;

d) смазочные материалы, присадки и другие материалы, используемые в производстве или при эксплуатации оборудования и зданий;

РАЗДЕЛ II. ДОКУМЕНТАЛЬНОЕ ПОДТВЕРЖДЕНИЕ ПРОИСХОЖДЕНИЯ

Статья 4.16
Заявление о предоставлении преференциального тарифного режима

1. Для целей получения преференциального тарифного режима декларант обязан представить таможенному органу импортирующей Стороны сертификат о происхождении товара в соответствии с требованиями настоящего раздела.

2. Сертификат о происхождении товара, представляемый таможенным органам импортирующей Стороны, должен быть оригинальным, действительным, а также соответствовать формату, установленному Приложением 5 к настоящему Соглашению, и должен быть надлежащим образом заполнен согласно требованиям, установленным Приложением 5 к настоящему Соглашению.

3. Уполномоченный орган экспортирующей Стороны должен обеспечить, чтобы сертификаты о происхождении товара были надлежащим образом заполнены согласно требованиям, установленным Приложением 5 к настоящему Соглашению.

4. Сертификат о происхождении товара должен быть действителен в течение 12 месяцев с момента выдачи и должен быть представлен таможенным органам импортирующей Стороны в течение этого периода, но не позднее момента подачи импортной таможенной декларации, за исключением случаев, определенных пунктом 2 статьи 4.20 настоящего Соглашения.

5. В случае разработки и внедрения центральными таможенными органами и уполномоченными органами Сторон Электронной системы сертификации и верификации происхождения товаров (далее – ЭССВП), указанной в статье 4.29 настоящего Соглашения, таможенные органы импортирующей Стороны, согласно своему соответствующему национальному законодательству и нормативным актам, могут не требовать представления оригинала сертификата о происхождении товара на бумажном носителе, если таможенная декларация подана в электронной форме. В этом случае дата и номер такого сертификата о происхождении товара должны быть указаны в таможенной декларации. В случае если у таможенного органа импортирующей Стороны имеются обоснованные сомнения в происхождении того товара, в отношении которого был затребован преференциальный тарифный режим, и/или было выявлено несоответствие информации, содержащейся в ЭССВП, таможенный орган импортирующей Стороны может потребовать представления оригинала сертификата о происхождении товара на бумажном носителе.

Статья 4.17

Обстоятельства, при которых представление сертификата о происхождении товара не требуется

Представление сертификата о происхождении товара для целей получения преференциального тарифного режима не требуется при коммерческом или некоммерческом импорте происходящих товаров, таможенная стоимость которых не превышает 200 долл. США или эквивалентную сумму в валюте импортирующей Стороны, или такую большую сумму, какую такая импортирующая Сторона может установить, при условии, что данная поставка не является частью одной или нескольких партий, что может обоснованно рассматриваться как способ уклонения от представления сертификата о происхождении товара.

Статья 4.18

Выдача сертификата о происхождении товара

1. Производитель или экспортер товаров или их уполномоченный представитель обращаются к уполномоченному органу экспортирующей Стороны в письменной форме или посредством электронных средств связи для выдачи сертификата о происхождении товара.

2. Сертификат о происхождении товара выдается уполномоченным органом экспортирующей Стороны производителю или экспортеру товаров или их уполномоченному представителю до или в момент экспорта товаров во всех случаях, когда экспортируемые товары могут считаться происходящими с территории Стороны в понимании настоящей главы.

3. Сертификат о происхождении товара выдается на одну партию товаров.

4. Каждый сертификат о происхождении товара должен иметь уникальный регистрационный номер, присвоенный отдельно уполномоченным органом.

5. Если все товары, указанные в сертификате о происхождении товара, не могут быть перечислены на одной странице, используются дополнительные листы, предусмотренные Приложением 5 к настоящему Соглашению.

6. Сертификат о происхождении товара должен быть выполнен на бумажном носителе и должен состоять из одного оригинала и двух копий.

7. Одна копия сертификата должна остаться у уполномоченного органа экспортирующей Стороны. Другая копия должна храниться у экспортера.

8. Без ущерба для пункта 4 статьи 4.16 настоящего Соглашения, в исключительных случаях, когда сертификат о происхождении товара не был выдан до или в момент экспорта товара, он может быть выдан после вывоза товара, при этом в сертификате указывается отметка "ВЫДАН ВПОСЛЕДСТВИИ" ("ISSUED RETROSPECTIVELY").

9. Представленные оригиналы сертификатов о происхождении товара должны храниться таможенными органами импортирующей Стороны, за исключением случаев, предусмотренных соответствующими национальными законодательствами и нормативными актами.

Статья 4.19

Незначительные расхождения

1. Если происхождение товара не вызывает сомнений, обнаружение незначительных расхождений между информацией, содержащейся в сертификате о происхождении товара, и информацией, содержащейся в документах, представленных таможенному органу импортирующей Стороны, не должно являться, само по себе, основанием для признания сертификата о происхождении товара недействительным, если сведения, указанные в нем, фактически соответствуют представленным товарам.

2. Если в сертификате о происхождении товара заявлено несколько товаров, то урегулирование проблемы, возникшей в отношении одного из перечисленных товаров, не должно затрагивать или приводить к задержке в предоставлении преференциального тарифного режима в отношении остальных товаров, указанных в сертификате о происхождении товара.

Статья 4.20

Особые случаи выдачи сертификата о происхождении товара

1. В случае кражи, утери или уничтожения сертификата о происхождении товара производитель или экспортер товаров или их уполномоченный представитель вправе обратиться в уполномоченный орган экспортирующей Стороны с заявлением о выдаче официально заверенного дубликата сертификата о происхождении товара с указанием причин подачи такого заявления. Дубликат должен быть сделан на основе ранее выданного сертификата о происхождении товара и сопроводительных документов. Заверенный дубликат должен содержать слова “ДУБЛИКАТ СЕРТИФИКАТА О ПРОИСХОЖДЕНИИ ТОВАРА

НОМЕР__ ДАТА__" ("DUPLICATE OF THE CERTIFICATE OF ORIGIN NUMBER_DATE_"). Заверенный дубликат сертификата о происхождении товара действителен не более 12 месяцев с даты выдачи оригинала сертификата о происхождении товара.

2. В случае случайных ошибок или упущений, сделанных в оригинале сертификата о происхождении товара, уполномоченный орган должен выдать новый сертификат о происхождении товара взамен существующего. В этом случае сертификат о происхождении товара должен содержать отметку: "ВЫДАН ВЗАМЕН СЕРТИФИКАТА О ПРОИСХОЖДЕНИИ ТОВАРА НОМЕР_ ДАТА_" ("ISSUED IN SUBSTITUTION FOR THE CERTIFICATE OF ORIGIN NUMBER___DATE___"). Срок применения такого сертификата не может превышать 12 месяцев с даты выдачи оригинала сертификата о происхождении товара.

Статья 4.21

Изменения в сертификате о происхождении товара

В сертификате о происхождении товара не допускается наличие ни помарок, ни исправлений. Любое изменение вносится посредством вычеркивания ошибочных данных и впечатывания любой требуемой дополнительной информации. Такое изменение должно быть заверено лицом, уполномоченным подписывать сертификат о происхождении товара, и официальной печатью соответствующего уполномоченного органа.

Статья 4.22

Требования в отношении хранения документов

1. Производитель и/или экспортер товаров должны хранить не менее трех лет с момента выдачи сертификата о происхождении товара всю документацию и копии документов, представленных для выдачи сертификата о происхождении товара.

2. Импортер, которому был предоставлен преференциальный тарифный режим, должен хранить копию того сертификата о происхождении товара, на основании которого был предоставлен преференциальный тарифный режим, не менее трех лет с даты предоставления такого преференциального режима.

3. Заявление о выдаче сертификата о происхождении товара и все документы, относящиеся к такому обращению, должны храниться уполномоченным органом не менее трех лет с даты выдачи сертификата о происхождении товара.

РАЗДЕЛ III. ПРЕФЕРЕНЦИАЛЬНЫЙ ТАРИФНЫЙ РЕЖИМ

Статья 4.23

Предоставление преференциального тарифного режима

1. Преференциальный тарифный режим в рамках настоящего Соглашения должен применяться в отношении происходящих товаров, которые удовлетворяют требованиям настоящей главы.

2. Таможенные органы импортирующей Стороны предоставляют преференциальный тарифный режим товарам, происходящим из экспортирующей Стороны, при выполнении следующих условий:

   a) импортируемый товар отвечает критериям происхождения, указанным в статье 4.3 настоящего Соглашения;

   b) декларант демонстрирует соблюдение требований настоящей главы;

   c) таможенным органам импортирующей Стороны представлен действительный и заполненный в соответствии с требованиями раздела II “Документальное подтверждение происхождения” настоящей главы оригинал сертификата о происхождении товара. Если Стороны внедрили ЭССВП, предусмотренную пунктом 5 статьи 4.16 настоящего Соглашения, оригинал сертификата о происхождении товара может не требоваться.

3. Несмотря на положения пункта 2 настоящей статьи, если таможенные органы импортирующей Стороны имеют обоснованные сомнения в происхождении товара, в отношении которого затребован преференциальный тарифный режим, и/или в достоверности представленного сертификата о происхождении товара, то такие таможенные органы могут отказать или приостановить применение преференциального тарифного режима к соответствующим товарам. Тем не менее, товары могут быть выпущены в соответствии с требованиями национального законодательства и нормативных актов такой Стороны по данным вопросам.

Статья 4.24

Отказ в предоставлении преференциального тарифного режима

1. В случае, если товары не соответствуют требованиям настоящей главы или если импортер или экспортер товаров не обеспечивают соблюдение положений настоящей главы, таможенный орган импортирующей Стороны может отказать в предоставлении преференциального тарифного режима и взыскать неуплаченные таможенные пошлины в соответствии с национальным законодательством и нормативными актами.

2. Таможенные органы импортирующей Стороны вправе отказать в предоставлении преференциального тарифного режима, если:

   a) товары не отвечают требованиям настоящей главы, что не позволяет рассматривать их как товар, происходящий из экспортирующей Стороны, и/или

   b) не выполняются другие требования настоящей главы, в том числе:

      i. требования статьи 4.9 настоящего Соглашения;

      ii. требования статьи 4.10 настоящего Соглашения;

      iii. представленный Сертификат о происхождении товара не заполнен в соответствии с требованиями по оформлению Сертификата о происхождении товара, установленными в Приложении 5 к настоящему Соглашению;

c) процедуры верификации, осуществленные согласно статьям 4.30 и 4.31 настоящего Соглашения, не позволяют установить происхождение товаров или свидетельствуют о несоответствии товаров критериям происхождения;

d) верифицирующий орган экспортирующей Стороны подтвердил, что сертификат о происхождении товара не выдавался (т.е. является поддельным) либо был аннулирован (отозван);

e) таможенными органами импортирующей Стороны в течение шести месяцев с даты направления верификационного запроса не был получен ответ проверяющего органа экспортирующей Стороны, либо полученный ответ не содержит сведений, достаточных для определения того, происходит ли товар из этой Стороны; или

f) таможенный орган импортирующей Стороны в течение 60 дней с момента отправки уведомления, предусмотренного пунктом 2 статьи 4.31 настоящего Соглашения, не получил от верифицирующего органа письменного согласия в соответствии с пунктом 5 статьи 4.31 настоящего Соглашения для проведения выездной проверки или получил отказ в проведении такой выездной проверки.

3. Если импортирующая Сторона в ходе процедур верификации установила, что экспортер или производитель товаров предоставляет ложные и/или неполные сведения для целей получения сертификатов о происхождении товара, таможенные органы импортирующей Стороны могут отказать в предоставлении преференциального тарифного режима в отношении идентичных товаров, указанных в сертификатах о происхождении товара,

выданных такому экспортеру или производителю согласно соответствующему национальному законодательству и нормативным актам.

4. В случаях, изложенных в подпункте b) пункта 2 настоящей статьи и пункте 1 статьи 4.25 настоящего Соглашения, таможенные органы импортирующей Стороны не обязаны направлять верификационный запрос, предусмотренный статьей 4.30 настоящего Соглашения, в адрес уполномоченного органа для целей принятия решения об отказе в предоставлении преференциального тарифного режима.

Статья 4.25

Временное приостановление предоставления преференциального тарифного режима

1. Если Сторона выявила:

   a) систематические нарушения при затребовании преференциального тарифного режима в рамках настоящего Соглашения в отношении товаров, экспортируемых или произведенных лицом другой Стороны; или

   b) что другая Сторона систематически и необоснованно отказывается выполнять обязательства, предусмотренные статьями 4.30 и/или 4.31 настоящего Соглашения;

такая Сторона в исключительных случаях может временно приостановить предоставление преференциального тарифного режима в рамках настоящего Соглашения.

2. Временное приостановление предоставления преференциального тарифного режима в соответствии с пунктом 1 настоящей статьи может применяться в отношении товаров, связанных:

   a) с лицом экспортирующей Стороны, если импортирующая Сторона пришла к заключению, что данное лицо причастно к совершению систематических нарушений в отношении затребования преференциального тарифного режима в рамках настоящего Соглашения;

   b) с лицом, фигурирующим в рамках верификационного запроса или запроса на проведение выездной проверки, указанной в подпункте b) пункта 1 настоящей статьи.

3. В случае если импортирующая Сторона пришла к заключению, что действующие меры по приостановлению предоставления преференциального тарифного режима в соответствии с подпунктом a) пункта 2 настоящей статьи не привели к прекращению систематических нарушений при затребовании преференциального тарифного режима в соответствии с настоящим Соглашением, то эта Сторона может временно приостановить предоставление преференциального тарифного режима в отношении идентичных товаров, классифицируемых в тех же тарифных линиях на уровне 8-10-го знака национальных товарных номенклатур внешнеэкономической деятельности Сторон.

4. Для целей настоящей Статьи:

a) заключение о систематических нарушениях может быть сделано, если Стороной по итогам расследования на основе объективных, убедительных и достоверных данных выявлено, что лицо другой Стороны систематически предоставляет ложные или неточные сведения для целей получения преференциального тарифного режима в рамках настоящего Соглашения;

b) под систематическим и необоснованным отказом соблюдать требования статей 4.30 и/или 4.31 настоящего Соглашения подразумевается систематический отказ от выполнения проверки происхождения соответствующих товаров и/или от осуществления выездных проверок по запросу Стороны или отсутствие ответа на верификационные запросы и запросы на проведение выездной проверки;

c) под идентичными товарами подразумеваются товары, обладающие одинаковыми физическими характеристиками, качеством и репутацией.

5. Сторона, пришедшая к заключению в соответствии с пунктами 1 и 3 настоящей статьи, должна:

a) уведомить другую Сторону и предоставить информацию и доказательства, на которых основывается это заключение;

b) участвовать в консультациях с другой Стороной с целью принятия взаимоприемлемого решения.

6. Если Стороны не приняли взаимоприемлемого решения в течение 30 дней в рамках консультаций, предусмотренных подпунктом b) пункта 5 настоящей статьи, то Сторона, сделавшая заключение, передает вопрос на рассмотрение Совместного комитета.

7. Если Совместный комитет не принял решение по данному вопросу в течение 60 дней, то Сторона, сделавшая такое заключение, может в соответствии с пунктами 2 и 3 настоящей статьи временно приостановить предоставление преференциального тарифного режима в рамках настоящего Соглашения. Сторона, принявшая решение о временном приостановлении предоставления преференциального тарифного режима, должна немедленно уведомить об этом другую Сторону и Совместный комитет. Временное приостановление предоставления преференциального тарифного режима не распространяется на товары, вывезенные с территории экспортирующей Стороны на дату вступления в силу такого временного приостановления. Датой отправки товаров должна считаться дата, указанная в транспортном документе, выданном перевозчиком.

8. Временное приостановление преференциального тарифного режима в соответствии с настоящей статьей может применяться до момента предоставления экспортирующей Стороной убедительных доказательств способности удовлетворить требованиям настоящей главы и обеспечить выполнение всех положений настоящей главы экспортерами или производителями товаров, но не может длиться свыше четырех месяцев, который может быть продлен на срок не более чем три месяца.

9. Любое приостановление предоставления преференциального тарифного режима согласно настоящей статье, а также любое продление

приостановления предоставления преференциального тарифного режима являются предметом периодических консультаций между Сторонами с целью разрешения вопроса.

2. Целью ЭССВП является создание базы данных в сети Интернет, содержащей сведения о всех сертификатах о происхождении товара,

выданных уполномоченными органами, доступную таможенным органам другой Стороны для целей проверки действительности и содержания любого выданного сертификата о происхождении товара.

3. Для этой цели Стороны должны создать рабочую группу, которая будет стремиться разработать и внедрить ЭССВП.

Статья 4.30
Проверка происхождения

1. В случае возникновения обоснованных сомнений относительно достоверности сертификата о происхождении товара и/или соответствия товаров, заявленных в сертификате о происхождении товара, критериям происхождения, установленным в статье 4.3 настоящего Соглашения, а также при осуществлении простой выборочной проверки таможенные органы импортирующей Стороны могут обратиться в уполномоченный или верифицирующий орган экспортирующей Стороны с просьбой подтвердить достоверность сертификата о происхождении товара и/или соответствие товаров критериям происхождения, и/или предоставить, по запросу, документальные доказательства со стороны экспортера и/или производителя товаров.

2. Все верификационные запросы должны сопровождаться информацией, достаточной для идентификации рассматриваемых товаров. Запрос в верифицирующий орган должен включать сведения об обстоятельствах и причинах его инициирования, а также содержать копию сертификата о происхождении товара.

3. Получатель (уполномоченный или верифицирующий орган) данного запроса согласно пункту 1 настоящей статьи, должен предоставить ответ таможенным органам импортирующей Стороны в течение шести месяцев с даты такого запроса о верификации.

4. В ответ на запрос согласно пункту 1 настоящей статьи верифицирующий орган экспортирующей Стороны должен четко указать, является ли сертификат о происхождении товара подлинным и/или можно ли считать товары происходящими с территории такой Стороны, включая предоставление запрашиваемых документальных доказательств, полученных от экспортера и/или производителя товаров. До получения ответа на верификационный запрос могут применяться положения пункта 3 статьи 4.23 настоящего Соглашения. Уплаченные в этом случае таможенные пошлины должны быть возвращены, если полученные результаты верификационного запроса подтвердят и ясно укажут, что данные товары квалифицируются как оригинальные и что они удовлетворяют всем другим требованиям настоящей главы.

Статья 4.31
Выездная проверка

1. В случае, если таможенные органы импортирующей Стороны не удовлетворены результатами верификационного запроса, указанного в статье 4.30 настоящего Соглашения, они могут, в исключительных обстоятельствах, направить экспортирующей Стороне запрос на проведение выездной проверки с целью изучения записей, указанных в статье 4.22 настоящего Соглашения, и/или для осмотра объектов, используемых при производстве товаров.

2. До проведения выездной проверки согласно пункту 1 настоящей Статьи таможенные органы импортирующей Стороны должны направить письменное уведомление о своем намерении провести такую проверку проверяющему органу той Стороны, на территории которой такая проверка должна быть осуществлена.

5. В случае, если письменное согласие верифицирующего органа не получено в течение 60 дней с даты отправки им уведомления, указанного в пункте 2 настоящей статьи, или если получен отказ в проведении выездной проверки, то Сторона, направившая уведомление, отказывает в предоставлении преференциального тарифного режима в отношении товаров, указанных в том сертификате (сертификатах) о происхождении товара, в отношении которого(ых) осуществляется проверка.

6. Любая выездная проверка должна быть начата в течение 60 дней с даты получения письменного согласия и закончена в разумный срок.

7. Орган, производящий выездную проверку, должен не позднее 90 дней с первого дня проведения выездной проверки предоставить производителю и/или экспортеру товаров, чьи товары и помещения являются предметом проведения выездной проверки, а также верифицирующему органу экспортирующей Стороны письменное решение о результатах такой проверки.

До получения результатов проверки могут применяться положения пункта 3 статьи 4.23 настоящего Соглашения.

9. Приостановленный или отмененный преференциальный тарифный режим должен быть восстановлен на основании письменного решения, свидетельствующего о том, что данные товары квалифицируются как

оригинальные и что соблюдены определенные критерии происхождения товаров в соответствии с положениями настоящей главы.

10. Проверяющая группа формируется центральным таможенным органом импортирующей Стороны согласно соответствующему национальному законодательству и нормативным актам.

11. Верифицирующий орган или уполномоченный орган экспортирующей Стороны должен оказывать содействие в проведении выездной проверки таможенными органами импортирующей Стороны.

12. Производитель и/или экспортер товаров, давший согласие на проведение выездной проверки, должен оказывать содействие в ее реализации, обеспечить доступ к производственным помещениям, финансовым (бухгалтерским) и иным производственным документам, относящимся к предмету выездной проверки, а также, при необходимости, должен предоставить любую дополнительную информацию и/или документы.

13. Если во время проведения выездной проверки со стороны органов или организаций проверяемой Стороны создаются препятствия для проведения выездной проверки, которые делают невозможным проведение такой проверки, импортирующая Сторона имеет право отказать в предоставлении соответствующим товарам преференциального тарифного режима.

14. Все затраты, связанные с проведением выездной проверки, должны быть оплачены импортирующей Стороной.

3. Разбирательства с использованием добрых услуг, согласительной процедуры и посредничества и, в частности, позиции Сторон спора, занятые ими в ходе этих разбирательств, являются конфиденциальными и не наносят ущерба правам любой из Сторон спора при любых дальнейших разбирательствах.

Статья 14.6

1. Стороны прилагают все усилия, чтобы путем консультаций найти взаимоприемлемое решение по любому вопросу, возникающему в рамках настоящей главы.

2. Запрос о проведении консультаций представляется в письменной форме Стороне-ответчику через ее контактный пункт или контактные пункты, определенные в соответствии со статьей 1.7 настоящего Соглашения,

а также Совместному комитету, с изложением основания запроса, включая указание всех мер или другого рассматриваемого вопроса и правового основания для жалобы.

3. В случае, когда Сторона-истец представляет запрос о проведении консультаций в соответствии с пунктом 2 настоящей статьи, Сторона-ответчик:

   a) отвечает на запрос в письменном виде в течение 10 дней с даты получения запроса; и

   b) добросовестно вступает в консультации в течение 30 дней, или 10 дней в срочных случаях, включая ситуации, когда речь идет о скоропортящихся товарах, с даты получения запроса, с целью прийти к скорейшему и взаимовыгодному решению данного вопроса.

4. Сроки, указанные в пункте 3 настоящей статьи, могут изменяться по взаимной договоренности Сторон спора.

5. Консультации носят конфиденциальный характер и не наносят ущерба правам любой Стороны спора при любом дальнейшем разбирательстве.

Статья 14.7

Учреждение Арбитражной группы

1. Сторона-истец, направившая запрос о консультациях в соответствии со статьей 14.6 настоящего Соглашения, может обратиться с письменным запросом об учреждении Арбитражной группы:

   a) если Сторона-ответчик не соблюдает сроки, предусмотренные пунктами 3 и 4 статьи 14.6 настоящего Соглашения;

   b) если Стороны спора не смогли разрешить спор путем консультаций в течение 60 дней, или в течение 20 дней в срочных случаях, включая ситуации, когда речь идет о скоропортящихся товарах, с даты получения запроса о таких консультациях; или

   c) если Стороны спора совместно придут к пониманию того, что консультации не привели к разрешению спора в течение срока, указанного в подпункте b) настоящего пункта.

2. В срочных случаях, включая ситуации, когда речь идет о скоропортящихся товарах, Стороны спора прилагают все усилия, чтобы, насколько это возможно, ускорить разбирательство.

3. Запрос об учреждении Арбитражной группы направляется в письменном виде Стороне-ответчику через ее контактные пункты, назначенные в соответствии со статьей 1.7 настоящего Соглашения, а также в Совместный комитет. В запросе указывается, проводились ли консультации, обозначаются конкретные меры по спорному вопросу

и содержится краткое изложение правовой основы жалобы, достаточное для того, чтобы ясно представить проблему.

4. Требования и процедуры, указанные в настоящей статье, могут быть изменены по взаимному согласию Сторон спора.

Статья 14.8
Назначение арбитров

1. Арбитражная группа состоит из трех членов.

2. В течение 30 дней с момента получения Стороной-ответчиком запроса об учреждении Арбитражной группы Стороны спора назначают каждая по одному арбитру. В течение 15 дней с даты назначения второго арбитра, назначенные арбитры, по взаимному согласию, выбирают председателя Арбитражной группы, который не должен подпадать ни под один из следующих квалификационных критериев:

   a) быть гражданином государства – члена Евразийского экономического союза или Вьетнама; или

   b) постоянно проживать на территории государства – члена Евразийского экономического союза или Вьетнама.

3. Если необходимые назначения не сделаны в указанные в пункте 2 настоящей статьи сроки, любая из Сторон спора может, если Стороны спора не договорятся об ином, пригласить Генерального секретаря Постоянной палаты третейского суда (далее “ППТС”) в качестве назначающего лица. В случае если Генеральный секретарь ППТС является

гражданином государства – члена Евразийского экономического союза или Вьетнама или не может осуществлять функцию назначающего лица, просьба о выполнении необходимых назначений адресуется заместителю Генерального секретаря ППТС или следующему по старшинству должностному лицу, которое не является гражданином государства – члена Евразийского экономического союза или Вьетнама и может осуществить функцию назначающего лица.

4. Все арбитры должны:

   a) иметь достаточные знания и/или опыт в сфере права, международной торговли и в других вопросах, охватываемых настоящим Соглашением, или в урегулировании споров в рамках международных торговых соглашений;

   b) избираться исключительно на основе объективности, беспристрастности, надежности и разумности суждений;

   c) быть независимыми и не иметь никакой связи и не получать указаний ни от какой из Сторон;

   d) информировать Стороны спора о любых прямых или косвенных конфликтах интересов в отношении рассматриваемого вопроса.

5. Не могут являться арбитрами по спорам физические лица, которые ранее имели отношение к рассматриваемому вопросу в любом ином качестве, в том числе в соответствии с положениями статьи 14.5 настоящего Соглашения.

6. Если арбитр, назначенный в соответствии с настоящей статьтьей, слагает с себя полномочия или не в состоянии их исполнять, его преемник назначается в течение 15 дней в соответствии с той же процедурой, которая применяется при назначении первоначального арбитра, при этом вновь назначенный арбитр имеет такие же полномочия и обязанности как первоначальный арбитр. Течение любых процессуальных сроков, применяемых в ходе рассмотрения спора, приостанавливается с момента сложения арбитром с себя полномочий или наступления обстоятельств, не позволяющих исполнять полномочия, и возобновляются с даты назначения его преемника.

7. Датой учреждения Арбитражной группы является дата назначения председателя Арбитражной группы.

8. Требования и процедуры, указанные в настоящей статье, могут изменяться по взаимному согласию Сторон спора.

Статья 14.9
Функции Арбитражной группы

1. Функции Арбитражной группы состоят в том, чтобы объективно рассмотреть представленный спор, включая объективную оценку фактических обстоятельств дела, применимость настоящего Соглашения и соответствие ему, и сформулировать выводы и решения, необходимые, по ее мнению, для разрешения переданного ей на рассмотрение спора, а также определить, по запросу Сторон спора, соответствие любых принимаемых мер и/или соответствующего приостановления выгод посредством окончательного доклада Арбитражной группы.

2. Выводы и решения Арбитражной группы не могут увеличивать или уменьшать объем прав и обязательств Сторон, предусмотренных настоящим Соглашением.

Статья 14.10
Процедура работы Арбитражной группы

1. Работа Арбитражной группы проводится в соответствии с положениями настоящей главы.

2. В соответствии с пунктом 1 настоящей статьи Арбитражная группа по согласованию со сторонами спора разрабатывает свою собственную процедуру работы в отношении прав Сторон спора выступать перед Арбитражной группой и организации обсуждения Арбитражной группы. Стороны спора по согласованию с Арбитражной группой могут договориться о принятии дополнительных правил и процедур, не противоречащих положениям настоящей статьи.

3. После консультаций со Сторонами спора Арбитражная группа как можно скорее, по возможности, в течение 10 дней после ее учреждения, определяет график работы Арбитражной группы. График включает точные предельные сроки представления письменных заявлений Сторонами спора. Изменения в такой график могут вноситься по взаимной договоренности Сторон спора по согласованию с Арбитражной группой.

4. По запросу Стороны спора или по собственной инициативе Арбитражная группа может, по своему усмотрению, запросить информацию и/или технические консультации у любого лица или органа, которых она сочтет

подходящими. Однако до того как Арбитражная группа запросит такую информацию и/или консультацию, она уведомляет об этом Стороны спора. Любая информация и/или технические консультации, полученные таким образом, передаются Сторонам спора для предоставления комментариев. Если Арбитражная группа принимает во внимание при подготовке своего доклада такую информацию и/или технические консультации, она также принимает во внимание любые комментарии Сторон спора по поводу такой информации и/или технических консультаций.

5. Арбитражная группа принимает процедурные решения, выводы и решения путем консенсуса, при условии, что если Арбитражная группа не сможет достичь консенсуса, то такие процедурные решения, выводы и решения могут быть приняты большинством голосов. Арбитражная группа не должна раскрывать информацию о том, как голосовали отдельные арбитры.

6. Заседания Арбитражной группы являются закрытыми. Стороны спора присутствуют на заседаниях только по приглашению Арбитражной группы.

7. Заседания Арбитражной группы являются закрытыми для публики, если Стороны спора не договорились об ином.

8. Сторонам спора предоставляется возможность присутствовать на любых презентациях, при внесении заявлений или при опровержении доказательств. Любая информация или письменные заявления, переданные одной Стороной спора в Арбитражную группу, включая любые комментарии, касающиеся описательной части предварительного

доклада, и ответы на вопросы, поставленные Арбитражной группой, должны быть доступны для рассмотрения другой Стороной спора.

9. Обсуждения Арбитражной группы и переданные ей документы являются конфиденциальными.

10. Ничто в настоящей главе не препятствует Стороне спора раскрыть для всеобщего сведения свою собственную позицию. Сторона спора рассматривает в качестве конфиденциальной предоставленную другой Стороной спора в Арбитражную группу информацию, которую другая Сторона спора обозначила как конфиденциальную. Сторона спора, по запросу любой из Сторон, предоставляет также неконфиденциальное резюме информации, содержащейся в ее письменных заявлениях, которая может быть раскрыта для всеобщего сведения.

11. Место проведения слушаний выбирается по взаимному согласию Сторон спора. Если согласие не достигнуто, слушания проводятся поочередно в столицах Сторон спора, при этом первое слушание проводится в столице Стороны-ответчика.

Статья 14.11
Полномочия Арбитражной группы

Если Стороны спора не договорятся об ином в течение 20 дней с даты получения запроса об учреждении Арбитражной группы, определяются следующие полномочия:

“Изучить, в свете соответствующих положений настоящего Соглашения, вопрос, переданный на рассмотрение в запросе об учреждении Арбитражной

группы в соответствии со статьей 14.7 настоящего Соглашения и сделать выводы и принять решения на основании закона и фактов, вместе с установлением причин, с целью разрешения данного спора".

Статья 14.12
Прекращение или приостановление разбирательства

1. Арбитражная группа прекращает свою работу по совместному запросу Сторон спора. В таком случае Стороны спора совместно извещают председателя Арбитражной группы и Совместный комитет.

2. Арбитражная группа на основании совместного запроса Сторон спора приостанавливает работу в любое время на срок, не превышающий 12 следующих друг за другом месяцев, начиная с даты получения такого совместного запроса. В таком случае Стороны спора совместно извещают председателя Арбитражной группы. В течение этого срока любая из Сторон спора может предоставить полномочия Арбитражной группе продолжить работу, известив об этом председателя Арбитражной группы и другую Сторону спора. В таком случае все соответствующие сроки, установленные в настоящей главе, продлеваются на тот срок времени, в течение которого была приостановлена работа. Если работа Арбитражной группы приостановлена на срок более 12 следующих друг за другом месяцев, Арбитражная группа прекращает свою работу. Право учреждения новой Арбитражной группы теми же Сторонами спора по тому же вопросу, указанному в первоначальном запросе об учреждении Арбитражной группы, теряет силу, если Стороны спора не договорятся об ином.

Статья 14.13
Доклады Арбитражной группы

1. Проекты докладов Арбитражной группы составляются в отсутствие Сторон спора и основываются на соответствующих положениях настоящего Соглашения, заявлениях и аргументах Сторон спора и любой информации и/или технических консультациях, полученных в соответствии с пунктом 4 статьи 14.10 настоящего Соглашения.

2. Арбитражная группа должна представить предварительный доклад в течение 90 дней, или 60 дней в срочных случаях, включая ситуации, когда речь идет о скоропортящихся товарах, с даты учреждения Арбитражной группы. Предварительный доклад включает, *inter alia*, как описательные разделы, так и выводы и заключения Арбитражной группы.

3. В исключительных случаях, если Арбитражная группа считает, что она не сможет представить предварительный доклад в указанный в пункте 2 настоящей статьи срок, она в письменной форме информирует Стороны спора о причинах этой задержки и указывает, в какие сроки она предполагает представить свой предварительный доклад. Любая задержка не должна превышать дополнительный срок в 30 дней, если Стороны спора не договорятся об ином.

4. Сторона спора может представить свои письменные комментарии по предварительному докладу в Арбитражную группу в течение 15 дней с даты получения предварительного доклада, если Стороны спора не договорятся об ином.

5. После рассмотрения всех письменных комментариев Сторон спора и проведения дополнительного рассмотрения, которое она сочтет необходимым, Арбитражная группа направляет Сторонам спора окончательный доклад в течение 30 дней с даты направления предварительного доклада, если Стороны спора не договорятся об ином.

6. Если в своем окончательном докладе Арбитражная группа придет к выводу, что мера, принятая Стороной спора, не соответствуют настоящему Соглашению, она должна включить в свои выводы и решения требование об устранении несоответствия.

7. Стороны спора делают доступным окончательный доклад Арбитражной группы для всеобщего сведения в течение 15 дней с даты его направления, при условии защиты конфиденциальной информации, если не поступит возражений от какой-либо из Сторон спора. В этом случае окончательный доклад передается всем Сторонам настоящего Соглашения.

8. Окончательный доклад Арбитражной группы является окончательным и обязательным для Сторон спора в отношении конкретного спора.

Статья 14.14
Выполнение

1. Стороны спора незамедлительно выполняют решения Арбитражной группы. Если незамедлительное исполнение невозможно, Стороны спора выполняют такие решения в разумный срок. Разумный срок определяется по взаимному согласию Сторон спора. Если Стороны спора не могут определить разумный срок в течение 45 дней с момента направления окончательного доклада Арбитражной группой, любая из Сторон спора

может передать этот вопрос на рассмотрение первоначальному составу Арбитражной группы, которая установит разумный срок после консультаций со Сторонами спора.

2. При возникновении разногласий между Сторонами спора по поводу того, устранила ли Сторона-ответчик несоответствие согласно докладу Арбитражной группы в течение разумного срока, предусмотренного настоящей статьей, другая Сторона спора может передать этот вопрос на рассмотрение первоначальному составу Арбитражной группы.

3. Арбитражная группа направляет свой доклад в течение 60 дней с даты представления на рассмотрение вопроса, предусмотренного пунктами 1 или 2 настоящей статьи. Доклад включает определение Арбитражной группы и обоснование причин ее учреждения. Если Арбитражная группа примет решение о невозможности предоставления доклада в течение этого периода времени, она в письменной форме информирует Стороны спора о причинах такой задержки и указывает, в какие сроки она предполагает представить свой доклад. Любая задержка не должна превышать дополнительный срок в 30 дней, если Стороны спора не договорятся об ином.

4. Стороны спора могут в любой момент продолжать поиск взаимоприемлемого решения по выполнению окончательного доклада Арбитражной группы.

Статья 14.15

Компенсации и приостановление выгод

1. Если Сторона спора не исполняет решение Арбитражной группы в течение разумного срока, предусмотренного в соответствии со статьей 14.14 настоящего Соглашения, или извещает другую Сторону спора о своем отказе от таких действий, и/или если первоначальный состав Арбитражной группы примет решение, что Сторона спора не исполнила решение Арбитражной группы в соответствии со статьей 14.14 настоящего Соглашения, то такая Сторона спора, по запросу другой Стороны спора, вступает в консультации с целью согласования взаимоприемлемой компенсации. Если такое соглашение не будет достигнуто в течение 20 дней после получения такого запроса, другая Сторона спора имеет право приостановить применение выгод, предоставляемых в рамках настоящего Соглашения, но только в эквивалентном объеме, который соответствует воздействию тех мер, которые Арбитражная группа признала несоответствующими настоящему Соглашению.

2. При рассмотрении вопроса о том, действие каких выгод следует приостановить, Сторона спора в первую очередь стремится приостанавливать выгоды в том же секторе или секторах, на которые оказали воздействие те меры, которые Арбитражная группа признала несоответствующими настоящему Соглашению. Если такая Сторона спора посчитает, что приостановление выгод в этом же секторе или секторах не осуществимо на практике или не эффективно, она вправе приостановить выгоды в других секторах.

3. Сторона спора извещает другую Сторону спора о том, какие выгоды она намерена приостановить, о причинах такого приостановления и о начале действия приостановления не позднее, чем за 30 дней до даты вступления в силу такого приостановления. В течение 15 дней с даты получения такого извещения другая Сторона спора может обратиться к первоначальному составу Арбитражной группы с запросом принять решение о том, эквивалентны ли выгоды, которые Сторона спора намерена приостановить, тем мерам, которые оказала мера, признанная несоответствующей данному Соглашению, и соответствует ли предлагаемое приостановление пунктам 1 и 2 настоящей статьи. Решение Арбитражной группы принимается в течение 45 дней с момента получения такого запроса, и оно является окончательным и обязательным для исполнения Сторонами спора. Выгоды не могут быть приостановлены до тех пор, пока Арбитражная группа не направит свое решение.

4. Компенсации и/или приостановление выгод носят временный характер и не применяются в качестве основной меры до полного устранения несоответствия, как это определено в окончательном докладе Арбитражной группы. Компенсации и/или приостановление выгод применяются Стороной спора только до тех пор, пока мера, признанная несоответствующей настоящему Соглашению, не будет отменена или изменена таким образом, чтобы соответствовать данному Соглашению, или пока Стороны спора не разрешат свой спор иным образом.

5. На основании запроса Стороны спора первоначальный состав Арбитражной группы принимает решение о соответствии своему окончательному докладу любой введенной меры, принятой после приостановления выгод, и, в свете такого решения, об отмене или

изменении приостановления выгод. Арбитражная группа принимает решение в течение 30 дней с даты получения такого запроса.

Статья 14.16
Расходы

1. Если Стороны спора не договорятся об ином:

   a) каждая Сторона спора несет расходы по назначенному ею арбитру, свои собственные расходы и судебные издержки;

   b) оплата услуг председателя Арбитражной группы и другие расходы, связанные с проведением разбирательства, осуществляется Сторонами спора в равных частях.

2. По запросу одной из Сторон спора Арбитражная группа может принять решение о расходах, указанных в подпункте b) пункта 1 настоящей статьи, с учетом обстоятельств рассматриваемого дела.

Статья 14.17

1. Все слушания и документы, относящиеся к настоящей главе, должны быть на английском языке.

2. Любой документ, передаваемый для использования в ходе слушаний в соответствии с настоящей главой, представляется на английском языке. Если оригиналы документов не имеют перевода на английский язык,

представляющая их Сторона спора обеспечивает перевод этих документов на английский язык.

2. Отсутствие письменного уведомления, удостоверяющего, что Кыргызская Республика завершила свои соответствующие внутригосударственные правовые процедуры, упоминаемые в пункте 1 настоящей статьи, не препятствует вступлению в силу настоящего Соглашения между Евразийским экономическим союзом, Республикой Армения, Республикой Беларусь, Республикой Казахстан и Российской Федерацией, с одной стороны, и Вьетнамом, с другой стороны. Настоящее Соглашение вступает в силу для Кыргызской Республики через 60 дней с даты получения Вьетнамом письменного уведомления о том, что Кыргызская Республика завершила внутригосударственные правовые процедуры, необходимые для вступления в силу настоящего Соглашения, и не ранее, чем вступит в силу Договор о присоединении Кыргызской Республики к Договору о Союзе от 23 декабря 2014 года.
